GENERAL INVESTIGATIVE DIVISION

Following a false bomb report to Flight 827, Delta Airlines, Dallas, on 9/15/67, Mrs. May Magnin Brussell of Carmel Valley, California, who was re-boarding, said she had been in conference with James Garrison, New Orleans.

Attached reveals Mrs. Brussell is the daughter of Rabbi E. F. Magnin of Los Angeles and she is reported to have "left-wing" leanings. She supports Mark Lane's book "Rush to Judgment" and takes the view Lee Harvey Oswald was not a communist. In public appearances, she pictures America as controlled by conspirators in Government. She is writing a book on the assassination and claims the Government is withholding information on the assassination and the press is suppressing news on the investigation being conducted by James Garrison. No further action being taken.
